

AUXILIARY MEMBERSHIP FORM

The Auxiliary mission statement:

“A group of individuals dedicated to contributing our talents, resources and hearts for the betterment of the women of Chrysalis.”

The Chrysalis Auxiliary is a group of volunteers that meet on the first Monday of every month. Each person adds their abilities and creativity to the areas that interest them – whether it be hosting social activities for the women, providing mentoring, helping with public events and fundraising, hosting quarterly tours of the facilities, providing life skills classes, Bible studies, or helping around the homes – together we strive to uphold the organization and meet whatever needs arise.

The Chrysalis Auxiliary is divided into two main areas of volunteers: Resident Support and Organization Support. We ask that you join a committee that interests you and that can utilize your gifts and talents. Feel free to join more than one committee! Having the Auxiliary organized in this way helps it to better meet needs and run efficiently as each person has a specific role to fill.

If you are interested in learning more or becoming involved with Chrysalis, please fill out the information below.
